Projects

Pingster | Real-Time Chat Application

[\[Link\]](#) | Feb 2026 – Present

React, Node.js, Socket.io, MongoDB, Tailwind CSS

- Engineered a real-time messaging platform using **Socket.io** for low-latency bidirectional communication.
- Implemented **JWT authentication** and real-time user status tracking (online/offline) to enhance security and UX.
- Optimized message delivery architecture, ensuring persistent data storage and seamless peer-to-peer interactions.

EdTraining | Startup Website

[\[Link\]](#) | Mar 2026 – Apr 2026

React, Tailwind CSS, Razorpay, MongoDB, Zod

- Developed lead generation flows (demo booking, consultations, contact) with robust **React Hook Form** & **Zod** validation.
- Integrated **Razorpay** for secure course subscriptions, managing webhook verification and storing orders in **MongoDB**.
- Hardened application security by enforcing strict CORS policies and strict backend data parsing.

Personal Portfolio | Full-Stack Website

[\[Link\]](#) | Jan 2026 – Feb 2026

MERN Stack, Tailwind CSS, Framer Motion, Vite

- Developed a high-performance portfolio featuring dynamic content served via **RESTful APIs** and **MongoDB**.
- Integrated **Framer Motion** for fluid UI/UX transitions, achieving high Lighthouse performance and SEO scores.
- Architected a modular backend for automated metadata updates, reducing maintenance overhead by 40%.

Leadership & Experience

Emcee & Event Lead | Zeitgeist Literary & Cultural Club, IIIT Dharwad
